

HICKORY  
MUSEUM  
OF ART

# 2010 - 2011 HOMESCHOOL ART CLASSES

The Hickory Museum of Art welcomes all homeschool parents and students to an art-filled, educational year of activities. Our programs focus on art making by looking at various art processes and techniques throughout the Museums' three floors of original artwork. HMA staff and educators will combine age-appropriate and curriculum-based gallery activities with hands-on art lessons. Competency goals in art, language arts, and social studies will be met throughout the year following the NC Standard Course of Study.

### Class Dates and Times

Classes run monthly beginning in September and ending in May. They are held on the second Thursday of each month from 1 – 2:15pm. Each month will focus on a different art process/technique utilizing the Museum's various exhibitions. A broad-base knowledge of art fundamentals will be offered.

### Registration and Payments

Registration and payment is required for all homeschool students. Monthly classes are \$5 per student for Hickory Museum of Art Members and \$8 per student for Non-Members (Catawba Science Center has a separate membership from the Hickory Museum of Art). By registering for the entire year, Members can save 10% and pay \$40.50. Non-Members can save 5% and pay \$68.40. Single month registrations are required by the Monday of the class week. Refunds will not be paid for missed classes to families who pay for the entire year.

### Ages

Classes are divided into three groups: K – 1<sup>st</sup> grade, 2<sup>nd</sup> – 3<sup>rd</sup> grade, and 4<sup>th</sup> – 7<sup>th</sup> grade. If enrollment doesn't meet HMA requirements, classes will be divided into two age groups. Adult accompaniment is preferred for all classes, but is strongly advised for children ages K-1st. Kindergarten students must be five by October 1, 2010 to participate.

### Volunteers

Homeschool students ages 13 or older are welcome to volunteer with the younger classes during homeschool hours.

### Become a member and save!

Family memberships are only \$50 per year. Benefits include discounts on classes, workshops, and summer art camps; 10% discount in the HMA Galleria and Science Emporium Gift Shop; subscription to the Museum's quarterly newsletter; and invitations to exhibit openings and special programs.

## HMA HOMESCHOOL PROGRAM 2010-2011 REGISTRATION
